Pumpkin Pavilion at Humboldt Park, Oct. 21st & 22nd 6-10:00 pm

Over 500 spooky jack-o-lanterns light up this October weekend. This unique event gives Bay View residents an opportunity to carve their own creative pumpkins at two locations in Bay View. The last carving event leads up to the Grand Lighting of the pumpkins at Humboldt Park, where games, spooky music, a black and white film and costumed attendees all get together to celebrate!

We have lots of new fun things happening at Pumpkin Pavilion this year!

Horse drawn Hay Rides on Friday night (\$3 donation)

Fall Food Festival on Saturday Night with samplings from 6 local vendors. Cookie decorating from Hue on both Friday and Saturday.

Want to help? We can use volunteers to "cut and gut" Wednesday at Club Garibaldi, and Thursday and Friday at the Pavilion in Humboldt Park. We also need 3 volunteers to help with the Hay Ride on Friday, and 3 volunteers to help serve the food samples on Saturday.

LBWN Annual Gathering

Celebrate a great year and learn what is in store for 2012!

Thursday, November 3

5:30 pm - Taste of the Neighborhood 6:30 pm - 8:30 pm Annual Gathering

St. Joseph Center

1501 South Layton Boulevard

(just south of Greenfield)

We have had a great year here in the Layton Boulevard West neighborhoods. A lot has happened and more is to come in 2012. Our Annual Gathering is an opportunity for us all to stop and recognize the progress that has been made and to salute the people who have made it happen. This year's event plans to

be bigger than ever.

There will be a Taste of the Neighborhood at 5:30 pm in the St. Joseph Center Cafeteria. This is your opportunity to sample foods from neighborhood restaurants while getting to meet your neighbors and LBWN.

The program will begin at 6:30 pm in the hall on the second floor of the St. Joseph Center and will include the unveiling of our neighborhood Quality of Life Plan. The plan has been 9 months in the making, has involved over 250 neighbors and partners, and will set the stage for our next few years of action in the neighborhood.

We will also be announcing the winners in our Most Improved Porch Contest and our I Love My Neighborhood Poster Contest.

Urban Ecology Center Construction Begins

Welcome a new neighborhood partner to Silver City

On September 27th a construction kickoff ceremony was held for the newest branch of the Urban Ecology Center (UEC) in Silver City. The UEC will be located at 37th & Pierce in what was an old tavern. It is immediately adjacent to the Valley Passage, the Hank Aaron State Trail and the soon to be built 24 acre Airline Yards Park.

The event drew a sizable crowd including people from the neighborhood and across Milwaukee. The highlight was when parachutes carrying seeds floated down from the roof of the old tavern. Children from the

neighborhood scrambled to gather up the parachutes and planted the seeds nearby.

It's estimated that the new branch will serve 10,000 annual visitors and will provide students in 22 south side schools with environmental stewardship projects, urban recreational adventures and science education, among other things.

For more information on the groundbreaking and what the UEC will mean for the neighborhood, check out [this article from the Milwaukee Journal Sentinel](#).
